

Balbieran Timothy Kyl Q.

BSIT - 4E

Activity 2

The screenshot shows the GitHub profile of Timothy Balbieran (username: tyrCoder). The profile includes a circular profile picture, a bio stating "Full-Stack Developer | Roblox Scripter | Building Web Apps, Games & Creative Projects", and a link to the profile. The "Popular repositories" section lists several repositories, including "liluv-frontend", "33-Key-Words", "CRUD-System", "Code", "ITEL203_StudentPortfolio_Balbieran-Esguerra-Gayoso-Parado-Rebong", and "Varon". A "Contribution activity" section shows a calendar grid for the last year, indicating 668 contributions. The "Contribution activity" section also shows a bar chart for the month of August 2023, with a note "Created 3 commits in 1 repository".

The screenshot shows the LinkedIn profile of Timothy Kyl Balbieran. The profile includes a circular profile picture, a bio stating "Full-Stack Developer | AI-Assisted Development | Roblox Scripter | Building Web & Game Experiences", and a link to the profile. The "Public profile & URL" section shows the profile URL. The "People you may know" section lists several suggested connections, including Eder Dayan, Riza Bianca Adefuin, Kerrvin Manarpaac, Shene Perejas, and Ronalee A. Bagabagon. The "Suggested for you" section includes a prompt to "Write a summary to highlight your personality or work experience".
